SET GUN CAUSES TEACHER'S DEATH

Stanley R. Curry, Principal At
Three Lakes, Victim Of
Tragedy

Stanley R. Curry, principal of the schools at Three Lakes, this county was fatally shot by the discharge of a set gun while hunting three miles north of Three Lakes at six o'clock Sunday morning. Mr. Curry was in the company of Frank Nenutz of Manitowish when the shooting occurred. The gun responsible for the accident was no doubt heavily loaded as the charge shattered both of the unfortunate man's legs. Mr. Nenutz immediately secured assistance and Mr. Curry was removed to Three Lakes where his injuries were dressed by Dr. Thorpe. The shock, however, proved too much for him to withstand and he died at about one o'clock Sunday afternoon.

The gun which caused Mr. Curry's death had evidently been placed in the woods for the purpose of killing deer. It was a trap arrangement, the trigger connected by a wire to a concealed spring. The parties who set the gun are not known although the people of Three Lakes are said to have their suspicions as to who the guilty ones are.

Immediately after the shooting J. H. Korzilius and M. H. Thompson, deputy sheriffs at Three Lakes, went to the scene, but were unable to find the gun, although the wire and other evidence of the death trap were visible. It is believed that who ever placed the gun in the woods either saw or afterward learned of the shooting and hastened to remove the weapon before the officers arrived.

Coroner Decanter, Sheriff Crofoot and District Attorney Fricke went to Three Lakes in an automobile Sunday morning and made an investigation of the case. It was decided to hold an inquest in this city Thursday afternoon. No arrests have been made or will any action be taken by the officers until after the inquest.

The shooting of Mr. Curry caused intense excitement at Three Lakes and the people there are reported to be greatly worked up over the affair.

Mr. Nenutz, Mr. Curry's partner, said of the tragedy, "I was about fifty feet in the rear of Mr. Curry when I heard the report of a gun. I had flushed a bird a short time before and thinking that he had fired at the same bird made my way in his direction. Mr. Curry lay on the ground badly hurt and when I came up to him he remarked, 'You shot me.' For the time being I really did not know how it happened and upon examining my gun and his found that both were still loaded. At once thought of the injured man's condition and went for help. When I came back with assistance Mr. Curry said that he had been shot by a set gun tied to a tree."

It was during the time that the victim was being removed to Three Lakes and before the appearance of the officers on the spot where the shooting occurred that this gun disappeared.

Stanley Robert Curry was twenty-two years of age and was born at Superior. He was a graduate of the Superior High school and the state Normal school at that city. He had

QUIET ELECTION DAY

Day Goes By Without Disorder Or Any Demonstrations

Election day in Rhinelander was quiet. There was no disorder or demonstrations of any kind. The saloons were closed tighter than the proverbial drum and the man with a thirst who possessed a bottle was lucky indeed.

At the different polling places in the city quietude prevailed and political arguments or discussions were very few. A large vote was cast there being an unusual number of early voters. Many working men also voted after supper between the hours of seven and eight. The polls were open from 6 a. m. to 8 p. m. and in some precincts it was in the neighborhood of 12 o'clock before the votes were counted.

In this city there was but little betting on the results of the election. Here as elsewhere a feeling existed that the Democratic national ticket would sweep the country. Not many expressions were heard on the outcome of the state election although there seemed to be a sentiment that the race for governor would be close.

McGOVERN WINS FOR GOVERNOR

He Carries State Over Karel by
Between 5,000 and 6,000
Majority

Francis E. McGovern is re-elected governor of Wisconsin. Late returns received today indicate that McGovern carries the state over Karel by between 5,000 and 6,000 majority.

The large plurality for Karel in Milwaukee county, 15,000, and the vote for Karel in the larger cities of the state which were first reported Tuesday night and which seemed to increase Karel's probable plurality in the state gradually dwindled as the returns came from the rural districts and the strong Republican counties.

While the returns on the rest of the Republican state ticket are as yet meager, it is probably safe to say that the whole ticket has been elected as follows:

Lieut. Governor—Thomas Morris.
Governor—Francis E. McGovern.
Secretary of State—John S. Donald.
State Treasurer—Henry Johnson.
Atty. General—Walter C. Owen.

425 ELECTORAL VOTES FOR WILSON

President Elect Sets a Record
In The Nation—Taft
Is Third

Woodrow Wilson, president elect of the United States, established a record in the number of electoral votes received, a total of 425.

Revised returns show that the national democratic ticket carried 40 of 48 states in the unprecedented sweep. Roosevelt comes second with 5 states with an electoral vote of 94. Taft is third with 3 states the total electoral vote being 12.

Wilson's popular vote is 6,544,209. Roosevelt's popular vote is 4,243,639. Taft's popular vote is 3,828,922.

NOTED HUMORIST COMING NOV. 13

Strickland W. Gillilan Is Sec-
ond Number Of Entertain-
ment Course

Next Wednesday night, November 13th, Strickland W. Gillilan, the famous humorist, will deliver one of his characteristic lectures at the Grand Opera House. Mr. Gillilan comes here as the second number of the Rhinelander entertainment course and it is expected that the theater will be crowded on the night of his appearance.

As a writer and humorist Mr. Gillilan holds high rank among the noted literary men of the present day. As a public speaker and entertainer he has few equals. He is one of the great men on the lecture platform. "A Sample Case of Humor" and "Sunshine and Awkwardness" are two of his most clever lectures.

Mr. Gillilan is a poet and philosopher as well as a platform humorist, a magazine and newspaper writer. One year ago five of his poems appeared in The Ladies' Home Journal with an introductory paragraph by the editor, who commented upon the versatility of a writer who being author of five tender and serious poems there given, had also written the famous "Off Again, On Again, Gone Again—Finnigan." This is a story of a section boss and is known to every railroad man in the United States. Mr. Gillilan's writings have also been published in the Woman's Home Companion, Success, Life and Saturday Evening Post.

It is an opportunity of a life time to hear a man of Mr. Gillilan's fame and ability and it is urged that the people of Rhinelander attend this lecture. If you do not possess a course ticket buy one now or purchase single admission tickets for this number.

STATE GRANGE AT ANTIGO

Big Meeting Will Be Held There Next
Month

G. F. Wilde of this city, organizer of the Grange was in Antigo this week completing arrangements for state Grange convention in Antigo on December 10, 11 and 12. More than two hundred delegates and others interested in Grange work will be in attendance.

One of the features of the Antigo meeting will be a display of the crops produced in different sections of the state and a program upon agricultural problems of the day.

The Grange movement is rapidly spreading throughout the country and especially in Wisconsin. Since Mr. and Mrs. Wilde commenced work in this county last spring they have organized Granges in nearly every settled community. Langlade county has at present five Granges and several more will be organized soon.

In the eastern states the Grange is most successful. It is a sort of a rural social center movement recognizing the necessity of getting the people of the farming districts together for social and educational purposes. The school house and town hall are usually the meeting places of the Grange organizations.

START SALE OF RED CROSS SEALS

Call Is Issued For 1200 Local
Campaign Managers In
Wisconsin

A call for 1,200 local campaign managers to handle the distribution of Red Cross Christmas seals in different parts of the state, has been issued by Otto F. Bradley, campaign manager of the Wisconsin Anti Tuberculosis association. This call constitutes the opening gun of the 1912 seal campaign, by which the association will raise the funds for conducting its public health crusade during the coming year. This sale will open November 25th, continuing until Christmas. There were 655 local managers in different localities in 1911, but the association is hopeful of enlisting at least 1,200 this year. Each local manager is expected to have the seals sold by

businessmen, different organizations and all of the school children of the community. To stimulate the sale on a basis of friendly rivalry, a large number of valuable prizes are being arranged for. They include vacuum cleaners, drinking fountains, an open air school, and a number of other things pertaining to public health and education. The complete list, including several thousand dollars worth of prizes that are being donated by friends of the association, will be announced later. Seventy-five million seals are being printed in the United States. Eight million of these have been ordered for Wisconsin with the expectation of making a record sale. The past years' accomplishments of the Wisconsin Anti-Tuberculosis Association warrant the confidence of its members in the willingness of the people to generously support the crusade against consumption.

WOMAN'S CLUB MEETING

The Woman's Club met Tuesday afternoon at the club rooms. The timely topic: "Probable Outcome of Election" was presented by Mrs. Shelton. A very fine paper on the composer Grieg was given by Mrs. Lewis. Songs, instrumental solos and du-

ets were rendered by Miss Cook and Mesdames Sawtell, Richards, Hampton, Forbes and Lowell. Mr. Hayner also played a solo by Grieg. A large number of ladies was present and a pleasant social hour followed.

STATE TEACHERS MEET.

The State Teachers' Association will meet at Milwaukee, November 7, 8 and 9. Noted speakers from all parts of the U. S. will address this large body.

Sectional meetings, comprising all kinds of school work will be held afternoons.

The State Teachers' Association should be attended by every live teacher in the state.

A CLOSE INSPECTION OF OUR STOCK

Will reveal its superior quality and convince you of the wide difference that really exists in lumber. You may imagine that lumber is all the same, but you were never more mistaken in your life, if you imagine that. There's as much difference between two boards that pass for the same grade as there is between a plug and a thoroughbred.

We invite a critical examination of our stock, simply because we know it to be much better than the average. **QUALITY:** That's our hobby. When we sell you a bill of lumber we want to know positively that you will be satisfied that you've got the best your money will buy, and will come to us when you want something else in building material.

"It is a pleasure to tell you that Chamberlain's Cough Remedy is the best cough medicine I have ever used," writes Mrs. Hugh Campbell, of Lenoir, Ga. "I have used it with all my children and the results have been highly satisfactory." For sale by All Dealers.

Owen Ryan was in the city election day to exercise his franchise. Mr. Ryan is foreman at one of the Stange Lumber Company's big camps near Hazelhurst. The concern will make a heavy cut of timber during the coming winter. Four camps and two jobbers are operating near Hazelhurst.

Merchants of the city report that the prolonged fall weather causes a slack in business as people do not purchase their winter wearing apparel and other necessities until the cold weather forces them to do so. This may be true but every pleasant day we have now means a saving on the wood and coal bill.

SYMPTOMS OF CONSUMPTION

Yield to Vinol.

The medical profession do not believe that consumption is inherited, but a person may inherit a weakness or tendency to that disease.

A prominent citizen of Evansville, Ind., writes: "I was ill for five months with pulmonary trouble, and had the best of doctors; I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results." (Name furnished on request.)

Vinol soothes and heals the inflamed surfaces and allays the cough. Vinol creates an appetite, strengthens the digestive organs and gives the patient strength to throw off incipient pulmonary diseases.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

P. S. Stop scratching, our Sazo Salve stops itching. We guarantee it. John J. Reardon Druggist, Rhinelander, Wis.

D. E. Lamón, freight and ticket agent for the Northwestern railway at Three Lakes, was in the city Friday. Mr. Lamón at one time had a real estate office here.

Several small boys who were playing with old brooms lighted for torches came near setting fire to a shed in the rear of one of the vacant lots on Brown street. The lads were reprimanded by Chief Straub for their carelessness and ordered to extinguish the torches. Boys playing with fire have often caused serious damage.

The second quarter of the Training school begins Monday, November 11. A number of letters have been received during the last week asking when it would be advisable for new students to enter the school. Students may enter at any time, but the beginning of a new quarter is the best time to do so, as new classes are organized then and students can be placed to best advantage to themselves.

The old settlers and hunters predict a hard winter, worse than the last, with high winds and fierce snow storms. To that end the hunters say the squirrels have laid in a bountiful supply of hazel nuts and the rabbits are turning white already. The old settlers point to the trees turning to a bright autumn red and to the heavy rain fall the last of August. There is no mistake, evidently, as they shake their heads in confidence and say time will confirm predictions.

Mabel Chapter No. 181—O. E. S.

Meets every first and third Wednesday of each month in Masonic Hall at 8 o'clock. Visiting members welcome.

By order of the W. M. LAURA E. SCOTT, Sec'y.

ANTIGO PEOPLE POISONED

Nearly 400 Antigo people who attended a public banquet last Thursday night were seized with severe attacks of ptomaine poisoning within six hours after partaking of the supper. Only a few escaped without disagreeable effects. Doctors of the city were kept busy administering to the afflicted.

Fortunately there was no serious results from the poisoning but all those who were poisoned were advised to take a dose of castor oil to rid the system of all traces of the poisoning. Ptomaine poison remaining in the system 48 hours becomes most dangerous.

MARIA HEARD FROM AGAIN

Maria Sweeney Ricks, the window smasher who years ago caused disturbances in Rhinelander and who is known all over the country is again in the lime light after fourteen years of retirement.

At LaCrosse the other day she announced her intention of again beginning a campaign of window smashing in Minnesota, because she claims that her 13 year old son was railroaded to the state school for defective children at Fairbault, chiefly through the influence of the secretary of associated charities at Minneapolis.

QUIET HALLOWE'EN

Hallowe'en passed off quietly in this city. The young people who were out celebrating the event confined themselves to simple, harmless pranks and no damage was reported. The few special police on duty were given no trouble. The favorite pastime was soaping windows and nearly all of the glass fronts in the business district were liberally decorated.

ENGINEER, KILLED

Engineer McFarland, well known to many railroad men in Rhinelander, was killed in an accident on the Sok line near Minneapolis Sunday night.

Oscar Peterson returned Sunday from Minneapolis.

A number of woodsmen who make this city their headquarters, came here Tuesday to vote at the general election.

A cut showing Col. Theodore Roosevelt and his secretary, Elbert H. Martin of this city, alighting from Mr. Roosevelt's private car at Oyster Bay, N. Y., has been going the rounds of the press. Since Mr. Martin's heroic deed in preventing John Schrank, the crank, from firing a second shot at the ex-president he has rapidly come into public prominence. His pictures have appeared in all the newspapers and many of the leading illustrated magazines.

The upper Wisconsin exhibit at the International Dairy show in Milwaukee, is one of the finest displays ever placed before the public. In every item of farm products is shown the very best quantity that can be produced anywhere. Great interest was taken in the exhibit, not only by the people of Milwaukee, but by farmers from the southern portion of the state and the exhibitors of cattle from other states. Such an exhibit is the best possible evidence that the whole people of the state should be in favor of development.

NEW SETTLERS AT ARMSTRONG

J. J. Koller of Armstrong Creek, representative in this county for the Grimmer Land Co., Marinette, was in the city Monday. He informed us that his company had sold some tracts of cut-over land lately for farming purposes to men from Illinois. One tract contained 3,000 acres and another 2,500. The men who purchased these lands told Mr. Koller that they had satisfied themselves they could raise cattle just as easily on Wisconsin and Michigan cut-over lands that cost from \$6.00 to \$10.00 per acre as on \$200.00 an acre land in Illinois.—Crandon Republican.

Royal Baking Powder Absolutely Pure

The Woman Makes the Home

She makes it best who, looking after the culinary department, turns her back resolutely upon unhealthful, or even suspicious, food accessories. She is economical; she knows that true economy does not consist in the use of inferior meat, flour, or baking powder. She is an earnest advocate of home made, home baked food, and has proved the truth of the statements of the experts that the best cooking in the world today is done with Royal Baking Powder.

LODGE IS INCREASING

E. G. Goldsmith, district manager of the Fraternal Reserve Association has been in the city for the last month in the interests of that order and during the time has largely increased the local membership. Mr. Goldsmith is a hustler and to his efforts the F. R. A. owes much of its rapid growth in this part of Wisconsin.

International Special Molasses Feed

MIXED WITH CORN AND OATS
COWS INCREASE ONE-THIRD

Mr. J. P. Goodall of Capron, Ill., writes us as follows: "I have used International Special Molasses Feed for two years, feeding 4 pounds per day mixed with ground corn and oats and by using your feed as above I have obtained an increase of one-third in milk production. My cows always keep healthy and eat with a relish. International Special Molasses Feed will cost only a few dollars more per ton than ground corn and oats. For each ton of International Special Molasses Feed that you will buy and use along with ground corn and oats you will make an extra profit of \$20.00 over and above all extra cost. Latest State bulletins give the following reports on their analysis of the International Special Molasses Feed: State of Pennsylvania, protein 14.6%, fat 5.7%, State of New Jersey, protein 15.2%, fat 5.0%. State of New York, protein 14.1%, fat 5.5%. This compares with an average analysis of less than 10% protein for ground corn and oats.

We sell and recommend INTERNATIONAL SPECIAL MOLASSES FEED. We are headquarters for everything in our line.

Senator Stevens carries the senatorial district by over 2300.
The socialists get 800,000 votes for president over 424,000 four years ago.
Wilson carried Vilas county by 40 McGovern 29 and Senator Stevens by 206.
President Taft's primary campaign manager, Congressman McKinley, is defeated for re-election to congress.
It gives us great pleasure to know that the entire republican state and county tickets are elected. We are republicans.
This is a hard year for tools of the special interests; even Uncle Joe Cannon has been defeated for re-election to congress.

Marquis A. Betts of Wabeno, the independent candidate of the Rhinelander News, for the assembly received a total vote in this county of 43 votes.
Out of five states voting on women's suffrage, Arizona, Oregon, Kansas and Michigan vote for and Wisconsin against. This gives great encouragement to advocates of the cause.
Willard T. Stevens, republican candidate for state senator carries Oneida county by as large a vote as he did in the primary. Mr. Stevens has made a clean sweep throughout the entire district and is overwhelmingly elected.

This week we are going to be mild toward our neighbor over the way who is in travail and tribulations. When a man is going through the valley of humiliation do not throw stones.
Some people are saying Wilson would not have been elected had Roosevelt stayed out of the race. No man can say this. A large number of Roosevelt followers would not have supported Taft anyway. Most of the Roosevelt men would have voted for Wilson.
With Taft's affiliations and record he could not possibly win.

Woodrow Wilson is overwhelmingly elected president. Now that he has been chosen we shall aim to be fair with him as our Executive at all times.
The time for bigoted partisanship is passed. Poor Grover Cleveland was persecuted by such methods on the part of many republican papers and when he died those same papers made him a hero.

Douglas Anderson, republican candidate for assembly, has carried Oneida county by a tremendous majority in spite of the boosting done by the special interest sheet for Marquis A. Betts. Mr. Anderson leads all other republicans in Florence county with a majority of 300 with two precincts to hear from. He carried Forest county by 300 majority, making a total majority of about 1200 in this small district.

AN ECHO OF 1910
The Rhinelander News of August 17, 1910 said the following of Congressman Irving L. Lenroot:
"Ex-assemblyman, ex-speaker, ex-candidate for Governor, and present Congressman, and Candidate for re-election for Congress Leproot, devoted 2 hours, Tuesday evening, to denounce and blacken office seekers and office holders. He also tried to blacken the names of men who have done and are doing much for the state and nation. He presented no argument, of course, 'Progressive' of office seekers never do, but he told bold, reckless lies with ease, as when he said that La Follette had supported the republican National platform, the President and his measures in Congress. He said the dear people are being robbed, enslaved and deprived of their rights, and the general tenor of his talk was not far different from that given on the street during the evening, before a larger audience, by the social-democratic candidate for sheriff.
And then it rained."

FIRST PRAISE HIM—
The News of Oct. 23, 1912, said the following of Congressman Lenroot:
"Congressman Lenroot who speaks here this week should be supported in the coming election by every voter who wants this section well represented in Congress. Mr. Lenroot has gained experience and prestige during his term in office and stands for many of the best policies of the nation."

THEN KNOCK HIM
The Rhinelander News of November 1, 1912, says the following of Congressman Lenroot:
"The News of last week recommended voters to support Mr. Lenroot for Congress. We wish to withdraw that recommendation as Mr. Lenroot has shown himself a straddler, he being more afraid of losing his own seat than to speak out plainly on national politics. A straight out honest Democrat from his section would do less harm in Congress than will a man who shilly shalles as does Mr. Lenroot."
Lenroot is elected by over 2 to 1 in the district.

It delights us that Francis E. McGovern is one of the people. He has always been loyal to them. No man in public life was ever more faithful to the duties of his office than has been Governor McGovern. He carried out the pledges of the convention platform of 1910 in every particular and no other man could ever have higher tribute paid him than this.

AROUND THE CIRCLE
A pleasant evening was spent at the home of Mr. and Mrs. D. Gustafson, Saturday, by their numerous friends who indulged in cards and other pastimes. Mr. and Mrs. Gustafson expect to leave for Gagen, soon to spend the winter.
Miss Annie Christensen spent Sunday at the "flats".
Mrs. V. S. Beard visited the school in Dist. No. 2 in the town of Pelican Friday.
W. Campbell's family have moved from the Nihilis farm back to the city.

The Wenzel Brothers loaded a car of camp equipment this week for Armstrong Creek, where they expect to log this winter.
C. S. Welch, who is employed by the cold storage company at Hobson spent Sunday with his family in the town of Pelican.
Joe Cuenan returned from Dakota last week, where he assisted in the harvest fields and reports having a fine time but says that Rhinelander is good enough for him.

Mrs. W. Trotter, Sr. and daughter visited school in district No. 2 last week.
Hunters are getting to be rather numerous in the vicinity of the town of Pelican.
Pelican Grange met in regular session Saturday evening and rendered a fine program as follows: Song by G. Conant, Sr. Rec. "Scott's love of country" by E. Bennett; Rec. "Little Jack" by G. Conant, Jr.; story, "The Tramp" by Geo. Bennett; Song "The Broken Hearted Sentry" by Mr. and Mrs. Conant; Rec. "Warring the Turkey" by Kate Bennett; Rec. "Reverie in Church" by Mrs. Welch.

Miss Zoale Gaurian of Chicago arrived Saturday to visit her uncle, G. D. Rouser, in the town of Pelican.
We are informed by good authority that Mel Sweet has disposed of his chicken ranch to John Winnans, who expects to resume the business upon a much larger scale. We also expect John will be looking for house-keeper soon to look after his little ones (chickens).
Miss Emma Byers, teacher in Dist. No. 2, gave a Halloween party to her pupils Thursday evening at which numerous games were indulged in and prizes were awarded. Arthur Chiblar was voted the expert on hunting pe-

nuts. "Old Nick" gave a brief forecast of the future to the inquisitive. It was also noticed that Marcia Cuenan had some knowledge of the "Pea nut business." The "Bean guessers" were Marie Welch, Ella Chiblar and Mrs. Welch in the order named. The party was certainly a success from start to finish.

The next meeting of the Pelican Grange will be Nov. 16, when a fine program will be rendered in connection with a supper and dance.
Otto Hansey gave a farewell party at the home of Mrs. F. Bennett to his friends last Wednesday evening. Mel Sweet has moved his family to the city.

Beda Bergman gave a pleasant Halloween party at the Egloff cottage at Lake George Thursday evening; about 60 people being present.
Marian Fenton reports a fine attendance in the Gross Dist. and the following pupils in perfect attendance: Fredie Kress, Mary Gross, Helen Radka, Roy Gross, Arthur and Saura Radka. Those neither tardy or absent are: Minnie Radka, Ralph Gross and Ernest Vicaux.
Miss Lillian Krueger was pleasantly surprised Monday evening by her host of friends who gathered at her home for a good time.

Gordon Beck writes from Calgary, Can., that he is well pleased with that country and that he finds lots of work at good wages.
By the looks of the fields on the "flats" the farmers had not finished their haying yet as numerous pieces of farm machinery are visible, but it was only Halloween and the boys were up to a little mischief; however Jim was on his job all the time and "nuthin doin'" while he was on deck.

Mrs. Wm. Hahn and Mrs. D. Sears did some shopping in the city Friday. Mrs. D. Balliet of Dale, is spending a few days at the home of her sister, Mrs. F. McLaughlin.
Miss Belle Gormley returned to her home in the city after spending a few weeks at the home of the McIntosh's on her "flats."
Miss Laura Kerber spent Friday in the city on a shopping tour.
Mr. and Mrs. Balliet of Ohio are visiting at the home of Frank McLaughlin.
Mrs. W. P. Jewell was an over Sunday caller in the city.
Miss Mae Fawley and Miss Marian Fenton spent Sunday in the city.

How Many Buckets of Coal Will You Burn This Season?

It doesn't do any good to "kick" about the increasing cost of coal and other fuel.
The only thing to do is to figure how to burn less.
And the time to do that figuring is now, at the beginning of winter.

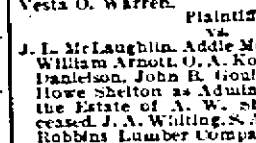

If you are using an old stove that has seen better days, the chances are you are wasting a good many buckets of coal each week—nearly enough in a month or so to pay for a new, up-to-date stove—a "Garland" heater or base burner.

You may not realize what a tremendous difference there is in fuel consumed by different stoves.
We ourselves would perhaps never have known it, were we not thoroughly familiar with the inside construction of every stove on the market. Now, after years of investigation, we found that "Garland" Stoves and Ranges burn considerably less fuel than others.

And if you will just step inside our store a moment we will show you the fuel-saving construction of these celebrated stoves. Moreover, we will show you the handsome heaters, base burners, ranges and cookstoves you ever saw.

Many styles and models. And prices that may surprise you. You tell us the particular "Garland" model that you like best, and we will take it to your home immediately, set it up and absolutely guarantee its satisfactory operation. If then you don't say it is entirely satisfactory, we will call and make it so.

Remember, we don't claim "Garlands" are "just as good as others"—we say they are better. And if we can't prove it, we don't want your money. That's fair, isn't it? When can you come in and see these stoves? Better come at once. The weather man is apt to "turn off the heat" most any moment.

GETTING RESORT DATA

Forestry Board Compiling Statistics On Lake Country

The Eagle River Review states that Joseph Lucius of this city, locomotive inspector of the state forestry board is collecting data regarding the size, location, capacity and general information of the summer resorts of Northern Wisconsin. The board of forestry is securing all these statistics with a view in mind of publishing a comprehensive report and further advertising this northern lake region.

This annual report of the forestry board will be widely circulated, and in conjunction with the literature of the Northern Wisconsin Fish and Game Association, will do much for the advancement of this natural recreation region.

Systematic advertising of this lake country, such as that under the association, will bring results to summer resort owners which a similar outlay could not otherwise attain.

RETURN FROM WEDDING TRIP

Frank Bryant and his bride who were married in Chicago, October 20, arrived in Rhinelander Saturday and are at home at 33 N. Pelham street. Mr. Bryant's residence. After the wedding ceremony they made a trip to Buffalo, Detroit, Grand Rapids and Milwaukee. For the last few days Mr. Bryant has been busy acknowledging the congratulations of his friends.

WOOD IS SCARCE

Rhinelanders people who have not purchased their winter's supply of store wood are advised not to delay the matter any longer as there is an indication of a famine in the wood market. Farmers cut very little hard wood the last year and the supply at the mills is running low. The wood that will be hauled into the city later in the season will command a high price.

THE POOL HUNTER AGAIN

Although the open season for killing deer does not commence until November 11, judging by the number of accidents which have occurred in the woods in northern Wisconsin lately the careless hunter (and violator as well) is getting an early start. Several men have already been mistaken for deer and made targets of by the fools who shoot at everything they see. For years this reckless shooting has been going on in this section before and during the hunting season and there seems to be no cure for the evil. A person's life is not save in the woods these days.

ANOTHER FREIGHT WRECK.

Freight train 282 on the Northwestern road, south bound, crashed into the rear end of a log train between Anawa and Elmhurst early Monday morning. The caboose and two loaded cars of the log train were wrecked and consumed in a fire which followed. The engine of 282 was considerably damaged by the impact.

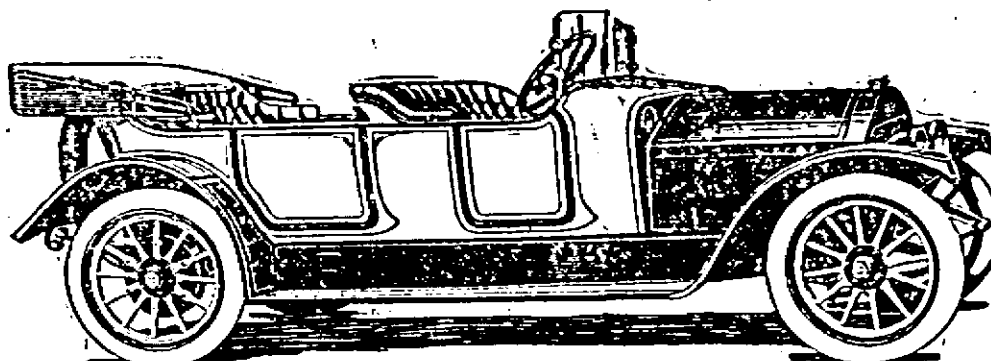

The engineer and fireman of the freight train saved themselves by jumping when they saw that a wreck was unavoidable. The track was cleared so quickly after the accident that traffic was delayed not scarcely two hours.

Thomas McMahon, a camp foreman near Hurley, was in the city Tuesday looking for men for woods work. He said that the labor shortage is becoming serious. While his company is paying the highest wages it is impossible to get enough help at any price.

PELICAN'S NEW DEPOT

A resident of Pelican Lake hands the New North the following poem on Pelican Lake's new depot written by J. E. Rice of that village. The poem first appeared in the Antigo Journal this week.

Frank Schoepke, with his noble crew
Has built our depot neat and new,
It is a credit to our town

And to this country for miles around
Its trim and neat and waterproof
With dandy slate laid on the roof.

And we can't state or say too much
But now on goes the finishing touch.
Then Frank would look around and say:

"Now boys, I want this done this way,"

The boys would listen to his command
And then start working hand and hand.

And none of them tried to shirk
But each one seemed to know his work.

And such it was all through their stay.

That work proceeded fast each day.
But now they're gone from us away.

And we were all well-pleased with their stay,
And hope some day again they'll call.

So we must say good-bye to all,
So goodbye Frank and John and Joe

Our blessing with you where you go
And Jim and Mike and little Steve.
We're sorry you did from us leave.

MAKE THEM DO IT HERE

How would the Rhinelander boys and girls, who soaped windows of business places and residences in this city last Thursday night, like to be treated like the Bayfield young people who committed a similar offense? Up in that city the police arrested the offenders and the Judge compelled them to wash the windows they had decorated. Three boys were busy cleaning windows for three days.

If this plan was in force in Rhinelander it might have a tendency to put an end to one annoying Halloween prank. For years it has been the custom of the young folks of this city as well as elsewhere to smear soap on windows on Halloween.

Miss Ruby Hunter of Birnamwood was a Rhinelander visitor Friday.

W. T. Stevens returned Monday from his hunting trip to Lac Vieux Desert.

Mr. and Mrs. C. D. Nelson and W. O. Nelson of Rice Lake were visitors here during the week.

A FEROCIOUS WOLF

Frank Makosick and William Marble, two Rhinelander boys while roaming through the woods some miles up the Wisconsin river Sunday, were chased by a wolf (?). Unfortunately the pair had left their guns at home and were unable to kill the ferocious beast. The brute frightened them badly before it finally became disgusted and gave up the chase. While the boys claim that the animal really was a wolf some people seem to think that it was only a dog.

PERKINS LEAVES RING

Billy Perkins writes friends in Rhinelander from his home in Annandale, Minn., that he has retired from the fight game for all time. Perkins gives as his reasons for leaving the ring that there is not enough money in the business to make it worth while. In his letter he also intimated that Milwaukee boxing promoters have given him some bad deals and that if he ever should go back to boxing he will keep away. Those who know Perkins intimately are inclined to believe that he will find it hard to keep out of the ring and he will soon return to the profession.

Perkins is a clever boxer and his recent bouts in this city, Antigo and Milwaukee give evidence that he has the making of a top notcher.

R. C. Luedke of Gagen was in the city, Monday.

E. E. Horn reports a steady nightly demand for rooms at the Hotel Fuller which is now being used as an annex to the Commercial Hotel. The dining room of the Fuller has been converted into a sample room for commercial travelers.

NEW BOOKS AT LIBRARY

Those who have found enjoyment and profit in the book "Craftsman Homes" by Stickley, will be glad to see his recent book "More Craftsman Homes." This gives descriptions, plans and views of about eighty cottages, bungalows, farm houses, summer camps, city houses and two school houses, as varied and suggestive in content as Craftsman Homes.

Claudy—First Book of Photography. A primer of theory and practice for the beginner which tells concisely how to operate the kodak with a maximum of success. Truly a "first book" both in its descriptions of tools and explanations of processes which are clear and simple but sufficiently detailed for the novice. The author writes from full experience with beginners' mistakes and his cautions are excellent.

A slight but very practical companion to the book of instructions which accompanies the camera.

FICTION—

Darless—The Melting of Molly. Tompkins—Pleasures and Palaces. Lincoln—Partners of the Tide. Palze—Judgments of the Sea.

POTATO SPECIAL ATTRACTS PEOPLE

Despite Bad Weather Nearly Three Hundred Visit Car Here Friday

In closing up the work of the potato special in Rhinelander, Prof. Millward who had charge of the car said that Oneida county had turned out the best of any county thus far visited. Several things worked against us too. The date announced in the papers had to be changed. Friday was one of the most disagreeable days that we have had this fall. Nevertheless between two and three hundred people visited the car among the number being pupils from the high school and training school and several women from the city of Rhinelander. Prof. Millward was invited to speak at the high school and was very much pleased with his reception.

Do you know that you can tell very nearly the kind of farmer a man is by the way that he treats his horses? Here are two farmers and their teams. One comes to town and hitchhikes his team out in a cold wind swept street while he spends a long time in a warm place having a good time. Usually his horses are not blanketed either and if they are, they are covered with ragged blankets. An other drives in and finds a protected place for his team and blankets the team with good warm blankets. When you look over his rig you find it whole and well kept. If he is in a warm place enjoying himself his team will be in the livery barn. You can pretty nearly tell the farmer by the way he uses his team. And by the same token the kind of town is pretty nearly advertised by the way horses are used. Does it not make you sick at heart to go along the cold windswept street late in the evening and see a horse tied there perhaps without blanket? See the horse looking at you wistfully and whinnying. Now he pulls at the strap and walks ahead upon the side walk. He shivers. A sorry sight. The most domesticated of all our animals. Faithful horse, the power on the farm. It is not a square deal for a farmer to misuse a horse by leaving him unblanketed out on a cold windswept street and it is not a square deal for a city to allow such a thing to go on. If horses are tied out in the street all day at the same hitching place, they should be put in the livery barn by proper authority at night. Let's take care of the horses.

Chas. Sanders of Tomahawk Lake got ten ears of Wisconsin No. 8 corn from the County Representative last spring. On Friday while in attendance upon the potato special he presented ten ears of as nice Wisconsin No. 8 corn as one will see. Mr. Sanders grew a good crop of corn from the ten ears. He will plant Wisconsin No. 8 corn next year.

F. S. Campbell of Three Lakes reports 1,062 bushels of rutabagas from two and one-half acres. The land was measured and the bagas weighed in at 56 pounds to the bushel. His boys got 525 bushels of potatoes from two and one-half acres. One-third of the field was planted June 7 and the rest on June 14. How's that for potatoes and for boys?

Knapp and Jones of Robbins had a potato patch of one acre from which they dug over 400 bushels of commercial potatoes. That's going some. All season this patch has looked fine and at the end certainly delivered the goods.

Here is a good ration for cows. From 30 to 40 pounds of corn silage, 10 pounds of alfalfa hay, 4 pounds of ground oats, 4 pounds of ground rye. This ration will produce about a pound of butter fat worth 30 cents. (If fed to good cows kept in a good clean, warm and well lighted and ventilated stable.) The same stuff sold from the farm would bring about 24 cents. By selling cream the skim milk is kept for hogs and calves and chickens. You notice that by feeding the ration the fertility is kept on the land. By selling it off the place you sell it for less and you sell your fertility. You also notice that all of this ration can be grown on Oneida county farms. It is a balanced ration too. Grow corn for silage, grow alfalfa, grow some oats and rye. Keep good cows.

For Sale—At this office, fine map hangers, consisting of three maps, 1 of the world, 1 of Wisconsin, 1 of the United States and the Panama Canal Region. A fund of information in small space, should be in every home. Price 25 cents.

ONEIDA GETS \$1,863

1913 State Highway Fund Is Made For This County

In the report of the distribution of \$378,000 state highway fund to the various Wisconsin counties for 1913 construction work Oneida county is allotted the sum of \$1,863. Milwaukee county receives the largest amount, \$74,456 and Rock county comes second with an appropriation of \$11,155. The smallest sum goes to Florence county which gets only \$538. \$444,426 was the entire amount of excess petitioned for.

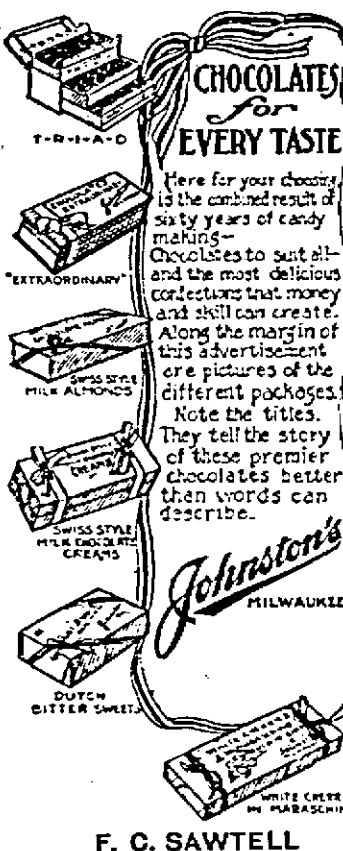

Neighboring counties received the following amounts:

Marathon County	\$7,689
Lincoln County	3,696
Langlade County	2,531
Taylor County	1,852
Price County	1,830

THE BEST EVER.

The company which will present "The Third Degree" at the Opera House on Oct. 14th has a really wonderful array of well-known people enlisted in the ranks of the organization. The management do not believe in the too common system of "one or two giving the whole show," but have organized what is undoubtedly one of the strongest casts ever brought together.

Mrs. D. McRae and son, Thomas, left for Norway last Saturday in response to a message announcing the injury of Miss Eva McRae, who was visiting friends at that place. The young lady was out riding when the team ran away and she was thrown from the carriage, resulting in the fracturing of her collar bone and other minor injuries. Reports received during the week state that she is getting along very nicely and a speedy recovery is looked for.—Ironwood Times.

"THE THIRD DEGREE."

The approach of Charles Klein's great drama, "The Third Degree," which plays here on Oct. 14th may bring with it some conjecture as to the meaning of the title. It deals, however, with the inner methods of workings of the "Third Degree." By it they often obtain confessions of guilt from suspects. A strong love story is interwoven.

MARRIES MILWAUKEE GIRL

James Coffey Takes Elizabeth McGuire For His Bride

Miss Elizabeth M. McGuire of Milwaukee and James Coffey of this city were joined in marriage, this morning at Milwaukee. The ceremony was performed at Gesu church and Rev. Father Millet officiated. The couple were attended by Mr. and Mrs. Walter Dugan of Milwaukee. Following the wedding the party drove to the Plankinton Hotel where breakfast was served.

Mr. and Mrs. Coffey will spend the next two weeks visiting among relatives and friends at Chicago, Madison, Janesville, Marinette and Menominee. Returning here they will reside at 627 Keenan street where the groom has fitted a cozy home.

The bride, while a stranger to the people of Rhinelander, is said to be an amiable and highly esteemed young lady. She formerly resided at Marinette and for some time past has held the position of bookkeeper at the Schlitz Hotel, Milwaukee.

Mr. Coffey is an old resident of Rhinelander and for a number of years has been in business here. He has a wide acquaintance throughout the city and is popular among his friends. Congratulations are extended him and his bride.

FARMERS, ATTENTION

Produce firms are making inquiries for cabbage. There seems to be a shortage. What is needed to know is the kind of cabbage that farmers are growing and the acreage that they have. For instance if a car could be loaded with Danish Baldbreds, a better price could be commanded and shipping could be facilitated. Any farmers interested will please get into communication with the County Representative.

WILSON ELECTED

National Ticket of Democratic Party Victorious at Polls Nov. 5th.

ROOSEVELT LEADS TAFT

Colonel Carries Seven States and Will Have 130 Votes in Electoral College—Wilson Is Assured of 357 Electoral Votes, 269 Being Necessary.

The election of Gov. Wilson of New Jersey as president and Gov. Marshall of Indiana as vice-president by a safe majority of electoral votes, is made certain by returns received from the country at large. With Pennsylvania, Indiana, Ohio and other large states represented by only meager reports, the success of the heavily populated states was certain.

The early returns gave to Gov. Wilson the "solid South," embracing all democratic states south of the Potomac, and Connecticut, Delaware, Kentucky, Maine, Maryland, Massachusetts, New York and apparently West Virginia, Indiana and Missouri. Roosevelt's victory in Illinois, conceded early by the democratic leaders, promised to carry with it a plurality greater than 100,000. Besides Illinois, Roosevelt has probably carried Iowa, Kansas, California, South Dakota, Michigan and possibly Pennsylvania. These states would give the colonel 117 electoral votes.

Wilson will have a least 270 votes in the electoral college, 266 being all that is required for election.

Taft carried five states with small electoral votes. He will have 21 votes in the electoral college.

Besides the presidency and vice-presidency, democracy also retained the lower house of congress by an overwhelming majority. And on top of that it has probably captured the United States senate.

Two hundred and sixty-seven democrats, 148 republicans and 20 progressives is the promised line-up of the new national house of representatives. That gives the democrats a clear majority of 91 over all.

The indicated complexion of the new senate is 51 democrats and 45 republicans. These figures may be changed by more complete returns, for they assume that the Illinois legislature has gone democratic and will elect two senators of that faith.

On the other hand, there may be other democratic gains. Sure ones are already shown of two in Colorado, one in Montana, one in Massachusetts and one in New Jersey. And thereby some familiar faces will be missing in the next congress—Senator W. Murray Crane, Senator Joseph M. Dixon and Senator Cullom among others.

NEW YORK FOR WILSON.

Has Estimated Plurality of 130,000 in Empire State.

New York—Wilson has carried New York by a plurality of between 125,000 and 150,000, according to early returns. In New York city the combined Taft and Roosevelt vote in 1,339 districts out of 1,730 exceeded that for Wilson by 628. The figures were: Wilson, 276,917; Taft, 113,452; Roosevelt, 164,095. In the gubernatorial race William Sulzer, democrat, seems to have won, although by a less plurality than Wilson. Straus, progressive, is running second, with Hodges, republican, a close third.

WILSON CARRIES INDIANA.

Plurality Placed at 133,000—Race for Governorship Close.

Indianapolis.—One hundred precincts in Indiana outside of Marion county indicate that Wilson will carry the state by about 123,000 plurality over Taft. The latter leads Roosevelt in all precincts reported. Ex-Senator Beveridge, progressive and Ralston, democrat, lead for governor and are in a close race.

ROOSEVELT WINS ILLINOIS.

May Have 100,000 Plurality, With Wilson Running Second.

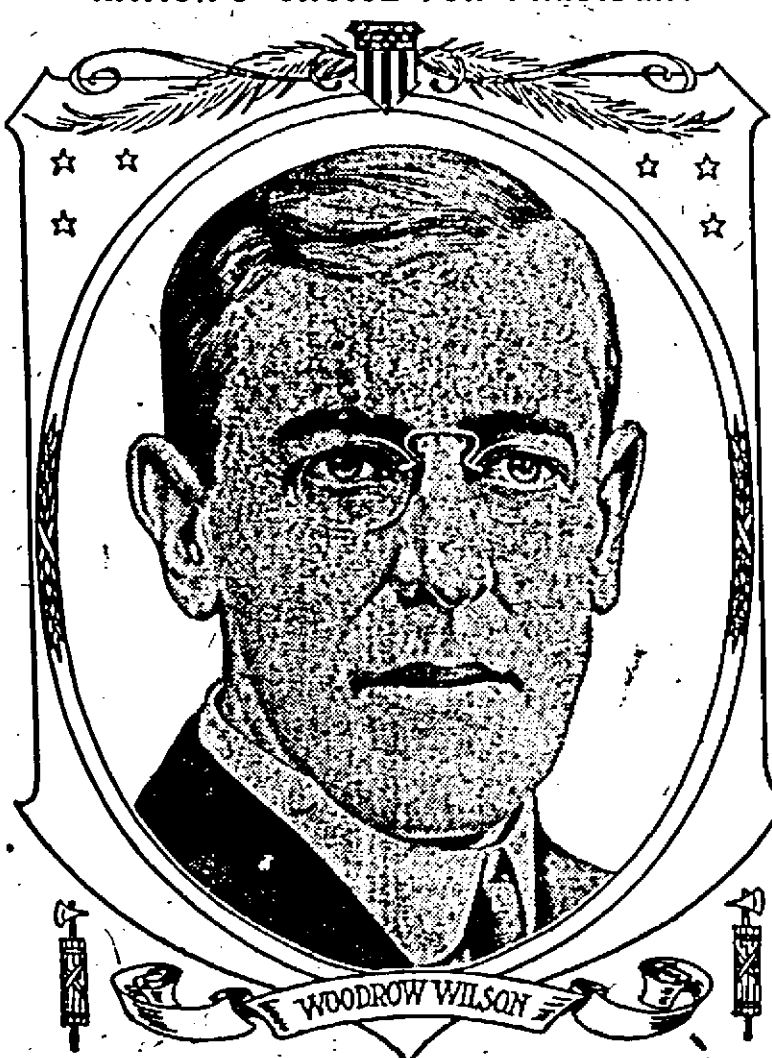

Chicago.—Early returns indicate that Illinois went for Roosevelt by probably 100,000, with Wilson a close second, and Taft running third. Dunne, democrat, is elected governor over Dehen, republican, and Funk, progressive. Early indications are that ex-Speaker Cannon is defeated for congress.

WILSON TAKES OHIO.

100,000 Is Estimated Plurality of the Democratic Candidate.

Cincinnati.—Nine hundred precincts out of the 5,311 gave Wilson 60,194, Taft 42,272, Roosevelt 26,487, giving Gov. Wilson a plurality of 18,921 in the 900 precincts. Wilson's estimated plurality in the state is 100,000. Cox, democrat, is elected governor.

NATION'S CHOICE FOR PRESIDENT

MINNESOTA GOES WILSON.

Taft and Roosevelt in Close Race for Second Place.

Minneapolis.—Woodrow Wilson has won the twelve electoral votes of Minnesota by a plurality of about 15,000, getting a strong plurality in the cities and running close with Roosevelt in the country. Gov. A. O. Eberhart was re-elected by the republicans by a plurality estimated at 35,000. Senator Knute Nelson will probably have a majority of 50,000. In the Second district W. S. Hammond goes back to congress as the only democrat in the Minnesota delegation. Other congressmen elected were: Third, C. R. Davis; Fourth, Fred Sterens; Fifth, George R. Smith; sixth, C. A. Lindbergh; Seventh, A. J. Volstead; Eighth, Clarence Miller; Ninth, Halvor Steenerson.

MASSACHUSETTS LEAVES G. O. P.

State Gives First Plurality to Democrats in Its History.

Boston.—Massachusetts, nominally a republican state, gave substantial majorities to Wilson and Foss, democratic candidates, respectively, for president and governor. It was the first time that Massachusetts had ever favored other than a republican for president. Taft and Roosevelt ran about even.

HOW THE STATES VOTED

Arizona.

Phoenix.—Returns from over half of 301 precincts in Arizona gave Wilson 6,111, Roosevelt 3,980, Taft 1,791, Debs, 1,263.

Arkansas.

Little Rock.—Returns show Wilson leading in Arkansas by the ratio of three to two over the combined vote of all other candidates. Roosevelt has a slight lead over Taft.

California.

San Francisco.—Wilson and Marshall apparently have carried California. Returns from 1,520 state precincts out of 4,472 give Wilson 90,355, Roosevelt 85,258, Taft 462, Debs 11,020.

Connecticut.

New Haven.—Connecticut, which four years ago gave President Taft a plurality of 44,000, on Tuesday gave good sized majorities to Gov. Woodrow Wilson. Gov. Baldwin, democrat, is re-elected and all five congressmen chosen are democrats.

Georgia.

Atlanta.—Approximate reports from all counties indicated that Wilson received a majority of 35,000 votes, the largest majority Georgia ever has given a candidate for the presidency.

Kentucky.

Louisville.—Returns from 70 per cent of the 120 counties in the state Wilson, with approximately 140,000, had a plurality over both Taft and Roosevelt of about 20,000.

Michigan.

Detroit.—Incomplete returns from throughout the state indicate with reasonable certainty that Roosevelt would carry the state by at least 30,000 and that Ferris, the democratic candidate for governor, would have a plurality of more than 25,000.

Missouri.

St. Louis.—A Wilson victory in Missouri by 100,000 votes was indicated by early returns. Elliot Major, democrat, is elected governor.

Nebraska.

Omaha.—Scattering returns from all parts of Nebraska indicate that Wilson has received 45 per cent of the entire vote cast, Roosevelt 30 per cent, and Taft 25 per cent. Democrats claim their candidates for congress are elected and that the legislature will also be democratic.

CONGRESSIONAL ELECTION

Result of Balloting on Various Candidates to Represent Wisconsin at Washington.

Wisconsin's present congressional representation is: Republicans, 8; democrats, 2; socialist, 1. By the re-apportionment of districts, Congressman Nelson and Congressman Kopp, both republicans, were thrown into the same district, the new Third. Kopp dropped out of the race, leaving the field clear to Nelson, who was renominated. In the new Ninth district, Congressman Morse, republican, and Congressman Korop, democrat, were thrown together and the latter made a very vigorous campaign to overcome the republican plurality in the district two years ago of 1,200.

The returns indicate the election of these congressmen by districts:

First.—Henry A. Cooper, rep., Racine.

Second.—Michael E. Burke, dem., Beaver Dam.

Third.—John M. Nelson, rep., Madison.

Fourth.—William J. Cary, rep., Milwaukee.

Fifth.—William H. Stafford, rep., Milwaukee.

Sixth.—J. H. Davidson, rep., Oshkosh.

Seventh.—John J. Esch, rep., La Crosse.

Eighth.—E. E. Brown, rep., Wausau.

Ninth.—Thomas F. Konop, dem., Kenosha.

Tenth.—James A. Frear, rep., Hudson.

Eleventh.—Irvine L. Lenroot, rep., Superior.

Re-elected.

Republican re-elected on non-partisan ticket.

WOMAN SUFFRAGE LOSES.

Returns Show Defeat of Proposed Amendment in Wisconsin.

Milwaukee, Nov. 6.—Woman suffrage was defeated by the voters of Wisconsin at the polls Tuesday. Even in the northern part of the state, where the suffragists were most confident of victory, a large vote was cast against the amendment extending the right of franchise. Eau Claire went against it by a large vote, in nine precincts of Superior the vote was 658 for to 448 against. In Milwaukee, both in the city and in the county, and throughout the southern part of the state early returns indicate that the vote is at least two to one against woman suffrage.

CONGRESS IS DEMOCRATIC.

Returns Show That Wilson Will Have Lower House and Probably Senate Behind Him.

Returns show beyond a question of doubt that the sixty-third congress is going to be democratic in both houses. The total membership of the house under the new apportionment is 435; necessary for a majority, 218. The last house contained 391 members, of whom 230 were democrats, 160 republicans, and 1 socialist democrat. The membership of the last senate was 96; necessary for a majority, 49. The membership was 50 republicans, 43 democrats, 3 vacancies. Thirty-two senators' terms expire next March 3; of this number 13 are democrats and 19 republicans. States electing congressmen are:

Alabama, 10 dem.; Arkansas, 7 dem.; California, 2 rep. and 2 prog.; Connecticut, 5 dem.; Florida, 4 dem.; Georgia, 12 dem.; Illinois, 3 dem., 1 rep.; Iowa, 3 rep., 2 dem.; Kansas, 1 rep.; Kentucky, 4 dem., 1 rep.; Louisiana, 8 dem.; Maryland, 6 dem.; Massachusetts, 1 rep., 1 dem.; Minnesota, 1 rep.; Mississippi, 8 dem.; Missouri, 5 dem.; New Jersey, 11 dem., 1 rep.; New Mexico, 1 dem.; New York, 31 dem., 12 rep.; North Carolina, 10 dem.; Ohio, 2 dem.; Oklahoma, 3 dem., 1 rep.; Pennsylvania, 9 rep., 6 dem.; South Dakota, 2 rep., 1 prog.; Texas, 18 dem.; Virginia, 9 dem., 1 rep.; Wisconsin, 7 rep., 2 dem., 2 non-partisan.

CONGRESSIONAL ELECTION

Result of Balloting on Various Candidates to Represent Wisconsin at Washington.

Wisconsin's present congressional representation is: Republicans, 8; democrats, 2; socialist, 1. By the re-apportionment of districts, Congressman Nelson and Congressman Kopp, both republicans, were thrown into the same district, the new Third. Kopp dropped out of the race, leaving the field clear to Nelson, who was renominated. In the new Ninth district, Congressman Morse, republican, and Congressman Korop, democrat, were thrown together and the latter made a very vigorous campaign to overcome the republican plurality in the district two years ago of 1,200.

The returns indicate the election of these congressmen by districts:

First.—Henry A. Cooper, rep., Racine.

Second.—Michael E. Burke, dem., Beaver Dam.

Third.—John M. Nelson, rep., Madison.

Fourth.—William J. Cary, rep., Milwaukee.

Fifth.—William H. Stafford, rep., Milwaukee.

Sixth.—J. H. Davidson, rep., Oshkosh.

Seventh.—John J. Esch, rep., La Crosse.

Eighth.—E. E. Brown, rep., Wausau.

Ninth.—Thomas F. Konop, dem., Kenosha.

Tenth.—James A. Frear, rep., Hudson.

Eleventh.—Irvine L. Lenroot, rep., Superior.

Re-elected.

Republican re-elected on non-partisan ticket.

WOMAN SUFFRAGE LOSES.

Returns Show Defeat of Proposed Amendment in Wisconsin.

Milwaukee, Nov. 6.—Woman suffrage was defeated by the voters of Wisconsin at the polls Tuesday. Even in the northern part of the state, where the suffragists were most confident of victory, a large vote was cast against the amendment extending the right of franchise. Eau Claire went against it by a large vote, in nine precincts of Superior the vote was 658 for to 448 against. Juneau.—Returns from 16 out of 28 precincts indicate that Taft carries the county by 150 votes. McGovern leads Karel by probably 250.

Kenosha.—Nine of the 18 precincts in Kenosha county give Wilson 983, Taft 902, Roosevelt 988. Fifteen of 18 precincts in the county give Karel 2,234 and McGovern 2,203.

Lafayette.—Twenty out of 28 precincts give Taft 1,292, Roosevelt 441. Twenty-three precincts give Karel 1,549 and McGovern 1,800.

Langlade.—Sixteen out of 21 precincts give Karel 1,180, McGovern 986, Wilson 909, Roosevelt 592, Taft 522. Morse for congress 350 majority. Nordman for assembly is elected.

Manitowish.—Twenty-five precincts out of 30 give Wilson 2,246, Taft 1,635, Roosevelt, 570, Karel 2,826, McGovern 2,166.

Marathon.—Indications are that Wilson and Karel have carried the county by 1,500.

Marquette.—Fourteen precincts give Roosevelt 675, Wilson 1,170, Taft 971. A. E. Schwittay has been elected to the assembly.

Monroe.—Twenty-two out of 36 precincts in Monroe county give Roosevelt 538, Wilson 1,767, Taft 155. For governor, Karel 1,164, McGovern 1,542. For congress, Esch (rep.), 1,774, Coffland (dem.), 1,088.

Outagamie.—Twenty-four precincts out of 36 in Outagamie county give Taft and McGovern a plurality of 250.

Ozaukee.—Complete returns for Ozaukee county give Karel 2,140 and McGovern 728. Wilson has 1,087 plurality.

Racine.—Complete returns from 35 precincts in Racine county give Roosevelt 1,432, Wilson 3,902, Taft 2,607, Debs 610, Chafin 428, Karel 3,917, McGovern 3,726.

Richland.—Taft and McGovern carry the county probably by 200.

Rock.—Thirty-six out of 37 precincts in Rock county give Roosevelt 2,076, Taft 4,164, Karel 4,281, McGovern 4,688.

Shawano.—Twenty-four precincts of 36 give Wilson a plurality of 126, McGovern 852 majority.

Vernon.—McGovern and Taft will carry Vernon county by 1,000 to 1,200. Esch, congressman, will carry the county from 800 to 1,000.

Walworth.—Thirty-two precincts in Walworth county give Wilson 1,580, Taft 1,540, Roosevelt 851, McGovern 1,448 and Karel 1,272.

Waukesha.—Thirteen precincts of 25 in Waukesha county give Taft 800, Roosevelt 357 and Wilson 447.

Washington.—Returns with one precinct missing give Wilson 2,275, Taft 1,681, Roosevelt 288, Karel 2,600, McGovern 1,655.

Wood.—Wilson carried Wood county by 200 plurality, McGovern 450 plurality.

Asks Bounty for Triplets.

Madison.—In Gov. McGovern's mail came a note from an upstate woman, enclosing a photograph of herself and triplets with a written request of a reward from the state. No such bounty is allowed by the Wisconsin law.

Veteran Fire Fighter Dead.

Oshkosh.—Capt. John Winstanley, a veteran member of the Oshkosh fire department, died suddenly here, aged 52 years.

BERGER IS DEFEATED.

Socialist Candidates for Congress Lose in Milwaukee County.

Milwaukee.—The total vote in the city precincts show that Congressman William J. Cary, non-partisan, has been re-elected; defeating his nearest opponent, W. R. Gaylord, socialist, by 2,000. Former Congressman William H. Stafford has defeated Congressman Berger, socialist, by more than 2,000, the vote standing: Stafford, non-partisan, 15,338; Berger, socialist, 13,329; Trotman, republican, 7,864. The entire non-partisan county ticket is elected.

CHAMP CLARK RE-ELECTED.

Kansas City, Mo., Nov. 5.—Champ Clark, the veteran democratic congressman from the Ninth district, Missouri, has defeated William L. Cole, republican, his only opponent.

PLAY IS FIRST CLASS

"Divorce Question" Gives Satisfaction
Monday Night

It is to be regretted that a larger audience did not witness the production of "The Divorce Question" at the Grand Opera House Monday evening. The play was one of the best ever seen in this city. The company was far above the average and each character was faithfully given, especially that of Rev. Father Jerome by George A. Lemling.

The play is one which deals with the church in relation to divorce and carries a strong moral lesson. In all of the big cities where "The Divorce Question" has been produced it has received tremendous patronage. It is easily one of the big theatrical successes of the season.

H. Zander, manager of the Grand Opera House, states that hereafter only first class plays will be billed for his theater. He positively declares that no more cheap shows will be booked. In view of this announcement the theater going public may expect a good attraction at the Grand during the present season. The next play will be "The Third Degree," Thursday night, November 14.

BURIAL OF SHERMAN

The remains of the late James Schoolcraft Sherman, vice president of the United States, were laid to rest in Forest Hill cemetery, Utica, N. Y., Saturday. President Taft and many members of congress and others high in public life attended the funeral. From 3 o'clock Friday afternoon until 9 o'clock that night the body lay in state at Onondaga county court house at Utica.

A Halloween party was given by Mrs. Bergman, teacher at the Lake George school, at the home of Mr. and Mrs. Peter Egloff Thursday evening. The house and lawn were prettily decorated with Jack-o-lanterns and colored lights. About sixty-five guests were present and were entertained with games; fortune telling and goblins after which refreshments were served.

FLASHES FROM THE HEADLIGHT

Bits of News Pertaining To The Soo and Northwestern Railroads

After getting a verdict of \$9,000 as damages for alleged injuries received on the Northwestern road, the case of Charles De Pow was taken to the supreme court of Wisconsin, where a decision was rendered in favor of the corporation, taking away the verdict stipulated by the jury in the circuit court. An appeal may be taken from the supreme court's decision.

John Munro Whitman, vice-president of the Northwestern system, is dead. He was born at Eldridge, N. Y., and was 75 years of age. He entered the railroad service in 1856 as a roadman in an engineering department. After serving in various capacities with roads in the middle west he was made general manager of the Northwestern in 1897. In 1899 he was elected vice-president in charge of construction work of the railroad. On July 1, 1911 he retired from active service.

The Stevens Point Journal says that while a couple of men were stealing a ride on a Soo line freight train Tuesday last they were put off at Junction City about midnight. They became quite incensed and straightaway began to get revenge on the Soo road for the "injustice" of their employees. Picking up every missile they could lay their hands on, included in which were beer bottles and stones, they hurled a broadside at the depot. One of the bottles shattered a window just above the operator, who was working at his desk, and just grazed his head. The operator also narrowly escaped injury from the flying window glass.

The 173 pay checks of the Soo line which were stolen from a freight office at Minneapolis were taken by Owen Morris, aged 22 years. His conscience bothered him so much that he returned all of the checks not cashed.

The Soo line bridge over the Wisconsin river in this city is being used frequently by pedestrians from the north end of the city in going to and from the new depot. It would seem that in view of this fact the railway company should place a foot walk on the bridge or a place where people could stand to avoid passing trains. While it is a railway rule for people to keep off the bridge, yet the public will persist in walking over it. The bridge in its present condition is dangerous.

B. A. Dublop, telegraph operator of the Racine Times, was arrested by Sheriff Wherry, at the instance of Detective Cunningham, of the Soc Line and brought to Wausau by Sheriff Flanagan Friday, the 15th and was dismissed without preliminary examination when witnesses from Weyauwega failed to identify him as the man charged with embezzling \$362.62 on Sept. 14, when he left Weyauwega after acting as supply agent for the station at that point.

Dunlop is a resident of Racine and having been absent from his home about the time of the robbery, suspicion fell on him from his resemblance to the photograph of the man wanted.

Frank Pette of Ashland, seeks to recover \$30,000 from the Soo line for injuries which he says he received near Glidden, last March 14. He states that he was employed by the Mellen Lumber company of Mel-

len, Wis., in loading box cars with ties and that the brake on one of the cars gave way allowing it to run rapidly down a steep grade and slam into two other cars with such force that he was buried underneath a part of the load. He says that his skull and hips were greatly injured and that he suffered a severe nervous shock.

NOTICE TO INVESTORS

The Rhinelander Brewing Company, for the purpose of paying all indebtedness and putting the institution on a good running basis, has decided to issue first mortgage bonds to the extent of \$35,000.00. These bonds will bear interest at the rate of 7 per cent per annum, interest to be paid semi-annually. Denomination of bonds to be \$250.00 and, life of bonds to range from one to ten years. The Company will reserve the right to call in any or all outstanding bonds, on any interest paying date after five years from date of issue on payment of par value and a bonus of two per cent.

As security for the payment of principal and interest of such bonds the Rhinelander Brewing Company will execute a first mortgage on all its property both real and personal, to M. H. Raymond, Trustee for the bond holders, and this mortgage will remain in the possession of the trustee, until all bonds are retired.

As additional security for the payment of such bonds, there will be a guarantee signed by the stockholders of the Company, each stockholder guaranteeing an amount equal to one-half of the value of the par value of the stock owned by him.

These bonds will be issued on Dec. 1st, 1912. Payment for bonds shall be made to M. H. Raymond, Trustee.

Any further information desired will be furnished by the Rhinelander Brewing Company.

WISCONSIN BEATS THEM ALL

The exhibit taken from upper Wisconsin to the Sioux City livestock exposition and the Illinois fair and later to the International Dairy show at Milwaukee, was so successful against all competitors that an effort will be made another year to induce the state fairs of all middle western states to create a competitive class for outside exhibitors. This year at Sioux City a competitive class prevailed and the upper Wisconsin exhibit won over those of Canada and all the other states by a wide margin. At the Illinois state fair there was no competitive class for states aside from Illinois, but it was apparent that had there been such a class the upper Wisconsin products would have received the blue ribbon. It will be a distinctive advantage to Wisconsin if the various states can be induced to establish such a class.

"SAVE A DOLLAR TWO"

DR. C. W. OVIATT DEAD

Prominent Surgeon Was Well Known
in Rhinelander

Dr. C. W. Oviatt, one of the most prominent surgeons in the northwest, died at his home in Oshkosh, late last Wednesday afternoon at the age of 67 years. He had been ill for about a year with heart trouble and several times was believed to be near death, but improvement followed until a week before the end when he began to rapidly fail.

Dr. Oviatt was well known in Rhinelander, having been called here several times to perform surgical operations. For many years he was associated with Dr. Burton Clark.

The funeral of Dr. Oviatt was held in Oshkosh Friday and was simple with no flowers and no singing.

Dr. Oviatt did not believe in the tenets of Christian religion or in the dogma of a Divine Providence or a future life in any individual form.

A Sick Man

Writes Dr. Hartman About Kidney Disease.

A gentleman writes me: "I was greatly interested in your article describing the Kauffman case of serious disease of the kidneys. The description of his case exactly outlines my condition. I am sure if Peruna cured him as you say, it would cure me also. I am losing flesh rapidly and the doctors say I have every symptom of Bright's disease of the kidneys. If you think I would be benefited by Peruna I will certainly try some as the doctors have practically given me up, the same as they did him."

In reply I wish to say, first, that I never make any promises as to what Peruna will cure. No physician can make positive statements of that sort. I can say this much, however, if I were in your place I should certainly give Peruna a trial. I know of no other remedy that would be so likely to be of use to you in your present condition as Peruna. Take a tablespoonful before each meal and at bedtime. Continue this for two or three weeks and then if there is anything you wish to ask me further write me and I will give your letter prompt attention.

If I find that the Peruna is not helping you I will be perfectly frank and tell you so, for I would not have you take Peruna unless it was really helping you. But it has rescued so many cases of kidney disease that I am quite confident you will find it exactly suited to your case.

Kidney disease begins with catarrh of the kidneys. Peruna is a catarrh remedy. Unless the destruction of the kidneys is already too great, Peruna relieves the catarrh and the cause of the kidney disease is removed.

I shall anxiously await a report of your case. Remember, all letters are treated confidentially. I never use any one's name or address without his written consent. My correspondence is absolutely private. PERUNA IS FOR SALE AT ALL DRUG STORES. SPECIAL KIDNEY PILLS. Many persons are making inquiries for the old-time Peruna. HIGH SCHOOL HAPPENINGS

Important Doings Of The Week Among The Students

When Tomahawk defeated Hildebrand's Warriors in the first football game of the season, every man on the team then and there took a resolution to clean up those Tomahawks if they ever got another chance. Last Saturday we saw how they made good on that by outplaying the Tomahawk team from start to finish. Tomahawk High school is nearly as large as our own and their team was the heavier, so we may well extend our congratulations to the boys who played the game for us.

The rhetoricals in High school this year have been of unusual interest through the work of Miss Elizabeth Kuehmstead.

It would seem that Capt. Hildebrand had been expecting defeat Saturday, or it may have been his natural modesty. At any rate, they say he had his machine waiting for him and he disappeared after the game, and turned up only the other day.

The High school Suffragettes have been vigorously boosting for their cause, and there have been dark rumors of a window-smashing campaign. No particulars have been learned as yet, but the militant attitude of many of the girls makes such an event seem probable.

Bessie McIndoe and Mae Pannabaker, both of '12, are among the latest to enroll among us as adult speakers.

Supt. Colburn and Miss Kuehmstead of the High school faculty, and Misses Joslin, Gribble and Grimstead of the grades, are in attendance at the convention in Milwaukee.

Several of the grades had Halloween parties Friday afternoon. Of special interest were those in the kindergartens. Many mothers attended the exercises. It is hoped that the interest aroused will lead these to visit school again to see what the children are doing. We hope that many people will visit the schools during the year. Come any day, at any time, and visit any room or class, and stay as long as you can. Teachers and pupils will always be glad to see you, and your visit will be an encouragement to all of them.

The report cards were given out this week.

LOCAL TEAM WINS IN FINAL GAME

Tomahawk Highs Go Down To Defeat Last Saturday By Score Of 6 To 3

In a game of foot ball which teemed with interest and excitement the Rhinelander High school eleven gained a victory over the High school team of Tomahawk in this city Saturday afternoon by score of 6 to 3. It was a vigorously fought contest and each side did its very best to win. Dr. I. E. Schlek was the referee. In the first two quarters neither team made a score and honors were about even. In the third quarter Minier, Tomahawk's full back, drop kicked and secured the first score for the visitors. In the last quarter with only six minutes to play it appeared as though Rhinelander was going to lose the game. It was at this stage that Hildebrand, Rhinelander's quarter, advanced the pig skin to the ten yard line from which Clark, left half, made a pretty touch down. Much of the credit for the local team's victory is due to Hildebrand and Clark both of whom played a good consistent game. They were easily the stars.

For Tomahawk, Minier, the captain, and Brahmstead, left half, did most of the effective work. In fact they were about the entire team. Throughout the game Tomahawk's coach coached steadily from the side lines which is not in accord with the rules. However, Rhinelander over looked this breach and the contest was free from any roughness or ill feeling.

The crowd in attendance at the game was the largest of the season. This was the last battle for the Rhinelander team this year and the organization has disbanded.

KNOBLOCH-SCHAFER

Young Couple Are Made Happy Tuesday Evening

Miss Anna Knobloch of Bessemer, Mich., and Harry Schafer of this city were married at 8 o'clock Tuesday evening at the residence of the groom's parents, Mr. and Mrs. William Schafer, 428 Thayer street. Rev. Grant Clark, of the Congregational church, was the officiating clergyman. The young couple were attended by Miss Bertha Krauski and Kent Crofoot. The wedding was a quiet one, only relatives and a few intimate friends being in attendance.

The bride came to this city from Bessemer last December and has since made her home here. She is a young lady of many pleasing qualities and her friends are numerous.

Mr. Schafer is a Rhinelander product and has spent all his life here. He is an industrious young man and well liked among all who have his acquaintance.
